

Limited Power of Attorney for Eligible Motor Vehicle Transactions

Information

All sections of this form must be properly completed in order for this document to be accepted. Original signatures are required, only black or blue ink are acceptable, and no alterations are allowed on this form.

This completed and signed form grants the grantee, with full power of substitution, full power and authority to perform every act necessary and proper to purchase, transfer, and assign the legal title to the motor vehicle described on behalf of the grantor. "Full power of substitution" means that whoever is given this power of attorney may delegate that power by putting another person in his or her place by a substitute power of attorney.

This power of attorney cannot be used in a dealer transaction to complete a title assignment on a motor vehicle subject to federal odometer disclosure. In compliance with federal law, the secure *Power of Attorney for Transfer of Ownership to a Motor Vehicle* (Form VTR-271-A) must be used when use of a power of attorney is permitted by the applicable regulations for a vehicle subject to federal odometer disclosure.

If a power of attorney is used to apply for title, initial registration, or a certified copy of title, the grantor (person signing this form) and the grantee (person signing the application) must include a photocopy of their photo identification as required by state law.

Instructions for Motor Vehicle Dealers

Transportation Code, §501.0234, requires licensed motor vehicle dealers to apply for title and initial registration for a motor vehicle in the county as directed by the purchaser(s). A dealer may not pre-populate a county selection on this form for the purchaser(s).

This form should only be submitted with the title application when the purchaser(s) designates their county of residence and the county is closed. Otherwise, the original form should be retained with the dealer's vehicle records.

This form is not required if the purchaser(s) will be immediately removing the vehicle from Texas.

Instructions for Purchasers

Vehicle purchasers select the Texas county where a licensed motor vehicle dealer files a title application to transfer title and/or initially register the purchased vehicle. The county selected will receive a portion of the sales tax, title fees, initial registration fees, and other applicable state and local fees. Subsequent registration renewal notices will automatically be mailed to the purchaser from the purchaser's county of residence if it is different from the selection on this form.

Purchaser(s) choose where their application is filed from one of the below:

- County of residence of the purchaser(s)
- County where the motor vehicle is purchased
- County where the motor vehicle is encumbered (by the lienholder)

If the purchaser selects their county of residence and the county is closed, the dealer may submit the title application to any county willing to accept the application.

If the county selection on this form has been pre-populated by the dealer, please visit www.TxDmv.gov, and select the "Motorist" tab to file a complaint against the dealer.

Note: If you sold your vehicle, or traded your vehicle into a dealership, you can also protect yourself by submitting a Vehicle Transfer Notification online at www.TxDmv.gov.
